## Support us by becoming a friend of ACEE

Our friends come from many walks of life; clients and their families, carers, volunteers and people throughout the community and beyond who appreciate what we do.

Now more than ever, the importance of raising funds is paramount to help improve the services for our clients, now and in the future.

The generosity of our supporters enables us to fund essential services to empower older people in the borough.

We want as many people as possible to receive the benefits of our services and need as many people as possible to support our work.

With you on board, we can be stronger than ever.
